TECHNICAL SERVICES

About Us

At Toolbox, we are a sum of all various parts.

Leveraging on our extensive expertise, Toolbox is managed by long-standing players in the industry. The combined skills and experience of these individuals form the new blend of passion and craftmanship, evident in each project we produce. With meticulous attention to detail and precision craftsmanship, we bring your unique vision to life. From concept to completion, our experienced team ensures a seamless process, exceeding your expectations at every step.

Speaking of passion, our unwavering dedication to perfection for each project fuels the quality of work we produce at Toolbox, thus providing premium quality solutions that transcend clients' expectations. Ranging from simple joinery works to bespoke projects, our expert installation team ensures a smooth and efficient setup, transforming an empty space with your designs into a tangible experience.

MISSION

At Toolbox, our mission is to bring to life the essence of Dubai and the Gulf region through exceptional designs, fabrication, and installation services, as we capture the unique blend of modernity, cultural richness, and grandeur that characterize this thriving trade hub.

With our unwavering commitment to quality and attention to details, we aim to exceed our clients' expectations and deliver bespoke solutions that elevate their brands and create awe-inspiring environments.

Our goal is to be the go-to partner for businesses seeking to make a lasting impression and immerse their audience in the captivating allure of Dubai and the Gulf region.

VISION

Our vision at Toolbox is to be the premier provider of extraordinary design, fabrication, and installation services for stands, booths, and pavilions in the dynamic city of Dubai and throughout the vibrant Gulf region. We aim to be synonymous with innovation, luxury, and meticulous craftsmanship, creating unforgettable experiences that reflect the spirit and opulence of this remarkable locale.

TOOLBOX EXPERTISE

EVENT PRODUCTION

Toolbox understands the significance of impeccable event production. Be it a corporate conference, a music festival, or an intimate gathering, our devoted team strives ceaselessly to guarantee that every aspect is meticulously organized and flawlessly carried out. From initial conceptualization to final execution, we proficiently handle all elements of event production, encompassing venue selection, audiovisual setups, logistics, and coordination, ensuring seamless and unforgettable experiences for our clients.

RETAIL KIOSKS

Toolbox specializes in crafting retail kiosk solutions that transform spaces into vibrant and engaging environments. We recognize the significance of retail experiences in driving customer engagement and boosting sales. Our team of experts designs and builds custom retail kiosks that seamlessly integrate with your brand's aesthetic and provide an interactive and immersive shopping experience. From initial design concepts to installation and maintenance, we offer end-to-end solutions tailored to your specific requirements.

ACTIVATIONS

Toolbox knows the importance of creating tangible, real-world experiences that allow brands to directly interact with their target audience. That is where our expertise in activations come in—skillfully designed marketing tactics designed to actively engage with the consumers, encouraging participation and interaction with the brand or product. These activations can take many forms, including pop-up shops, interactive games, live demonstrations, or even themed pocket events.

EXHIBITION STANDS

When it comes to exhibition stand build-up, Toolbox stands out as a trusted partner. We combine creativity, craftsmanship, and cutting-edge technology to design and construct stunning exhibition stands that captivate visitors and leave a lasting impression. Our experienced team collaborates closely with our clients to understand their brand identity, objectives, and target audience, translating them into visually appealing and functional spaces that truly showcase their products or services.

PRINT & EVENT MATERIALS

Our team of design and production experts at Toolbox takes great care in analyzing your specific vision. With a deep understanding of your brand, we craft a tailor-made plan to create an authentic and exceptional experience for you. Allow us to bring your vision to reality, adding a creative touch to your brand whether through elegant decor, captivating ambiance, or branding that artfully conveys your business's core values and visual goal.

TOOLBOX TECHNICAL SERVICES

this is why we are

who we are

ALL MATERIALS ARE SOLE PROPERTY OF TOOLBOX TECHNICAL SERVICES.

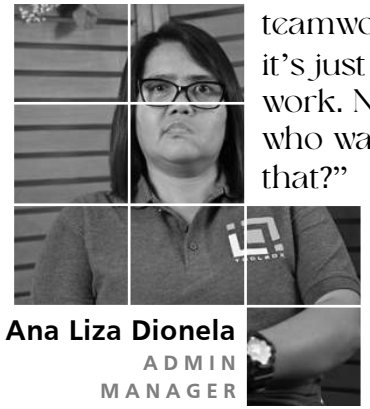
"I value quality, respect, and the well-being of my team — always."

Rey Lansang

FOUNDER / PRESIDENT

A powerhouse of creative precision and technical excellence, Rey is an architect by degree and a visionary by passion. With 20+ years in design and 10+ years in events and exhibitions, he's led high-impact projects for brands like DEWA, Nando's, Dubai Parks & Resorts, and MERAAS. His meticulous eye for detail and extensive production knowledge set the gold standard in experiential builds.

"If you take out the team in teamwork, it's just work. Now who wants that?"



Ana Liza Dionela

ADMIN MANAGER

Ana Liza is highly experienced with 34 years of total professional experience, specializing in office management and project support. Holding a degree in Computer Secretarial and Business Management degree, she has spent the last 7 years focused on the events industry. A dedicated hard worker motivated by her family, Ana Liza also enjoys traveling and brings international perspective from her two years working in Malaysia before the UAE.

"I'm a workaholic by nature. My energy keeps my momentum high—day or night."

Benny Sebastian

PROCUREMENT MANAGER

With 28+ years of versatile experience, Benny is the driving force behind Toolbox's client relations and project acquisition. Known for his negotiation skills and deep understanding of advertising, acrylics, and metal fabrication, he has been the go-to problem-solver, thus making him lead the sourcing of materials, especially for special projects. Clients like ADIB, Dubai Autodrome, and Yas Waterworld trust his leadership.

" I take pride in my ability to lead cross-functional teams while ensuring high standards of quality and safety of my team."

Ronald De Vera

PRODUCTION MANAGER

Behind every perfect build is Ronald — the backbone of Toolbox's production force. With hands-on control over logistics, fabrication, and on-site execution, he ensures every structure stands tall and every deadline is met. Calm under pressure, swift in action, and highly resourceful, Ronald is a true executor. When it's go-time, Ronald makes it happen — no matter what.

Frederick Emia

TECHNICAL SUPERVISOR

"I am a sea-lover at heart and a gamer off-hours. I thrive on visual storytelling."

Fred is our designer who blends technical precision with creative thinking. He enjoys being hands-on on-site, making sure his ideas are executed properly and brought to life. He is always learning new techniques and exploring better ways to improve design production. Fred thrives in collaborative environments, sharing knowledge and picking up insights from others. He is passionate about using innovative tech to push my work further.

Pravin Kumar

TECHNICAL PRODUCTION EXECUTIVE

"Alone, we can do so little.."

Pravin has always valued the essence of teamwork. Used to own a business in India before coming to UAE, he values it now more than before. He carries with him a total of 14 years of work experiences, nine of which in events.

Knowledgeable in Autocad, he believes that it is an advantage and it goes hand-in-hand with carpentry. His expertise lies in CNC drawing programs.

ALL MATERIALS ARE SOLE PROPERTY OF TOOLBOX TECHNICAL SERVICES.

Earon Lagata

TECHNICAL DESIGNER

"I build what others can only picture."

Skilled, detail-oriented, and versatile, he transforms ideas into clear, well-crafted designs. With expertise in design software, he produces accurate concepts, detailed drawings, and production-ready files. His work spans office fit-outs, modules, store displays, and exhibition booths, supporting major projects for Disney, Moët Hennessy, Chivas, Samsung, JTI, Silver Fox, Neumann, and Sennheiser—delivering designs that are practical, polished, and on brand.

"Teamwork makes the dream work."

Taranjit Singh Salinderpal

PRODUCTION & SITE SUPERVISOR

Taranjit possesses a substantial background of over 9 years of experience in his profession.

Joining in 2023, his main structural skillsets center around woodwork, site installation, CNC/laser operations, and driving. On a day-to-day level, he handles a variety of equipment including drill machines, nail gun machines, and comprehensive carpentry tools. He takes pride in all builds executed by the company.

Taranjit wants to specialize deeper into interior fit-out projects, gain a stronger foundation of electrical systems, and ultimately launch his own independent carpentry business.

Prasanth Vadakke Purakkal

PRODUCTION & SITE SUPERVISOR

Prasanth brings a notable 16 years of industry experience to his role. As a production and site supervisor, his core technical skillset includes carpentry/woodwork and site installation, with a self-declared mastery in general carpentry work. He can operate all available project machines and tools, and he notes great personal pride in all the project assignments executed by the company.

In addition to his practical field capabilities, Prasanth possesses distinct leadership experience, actively confirming that he has served as a team leader.

"Together everyone achieves more."

"Talent wins games, but teamwork and intelligence win championships."

Muhammad Saleem

PRODUCTION & SITE SUPERVISOR

With a total of 16 years of industry experience, Saleem possesses a comprehensive technical background. His core trade expertise lies in the areas of electrical or lighting, graphics, and site installation, with a strong focus on using all types of electrical tools. He considers himself best at electrical testing and takes immense pride in all the project executions delivered by the company.

Saleem aims to advance his credentials by learning solar PV systems as well as AutoCAD electrical and design.

Vijeesh Erikkattu Parambil

LEAD PAINTER

"Work hard in silence, let your success be your noise."

Vijeesh brings an extensive background of 20 years of experience to his profession. His primary skill sets cover painting and site installation. On a daily operational level, he works with tools like a spray paint gun and similar equipment, noting that he is best at spray paint and design drawing. He expresses great pride in all project work delivered by the company.

Beyond his core trade abilities, Erikkattuparambil possesses administrative experience, confirming that he has previously served as a team leader.

TOOLBOX TECHNICAL SERVICES

"There are no shortcuts to any place worth going."

Babar Ali

LEAD CARPENTER

Babar brings 4 years and 2 months of job experience to his current role. His hands-on professional skill sets cover carpentry, site installation, and graphics. He handles all available carpentry machines and tools on site, considers his top specialty to be woodworks and takes pride in all projects delivered by the company.

Ali desires to learn site supervision, leadership, and project planning next.

"Without labor, nothing prospers."

Vinay brings a robust background of 20 years of experience to his profession. His core operational capabilities explicitly focus on painting, utilizing machinery like spray guns alongside general painting equipment. He recognizes his primary specialty to be spray work and expresses an overarching sense of pride in all the project developments completed by the firm.

Complementing his technical expertise, Sahani serves as an experienced leader on site and has verified his past experience as a team leader. For his subsequent professional development goals, he has indicated a clear interest in learning AutoCAD next.
